MIGHT'S 1960 COMBINED

GREATER TORONTO

STREET, HOUSEHOLDERS and BUSINESS GUIDE
and
HOME OWNERSHIP OR TENANCY DIRECTORY

STREETS ARE ARRANGED IN ALPHABETICAL ORDER SHOWING:

- Location and description of each street.
- Postal information on each street.
- Points on each street where other streets cross.
- Name of the occupant at each number on every street listed.
- Whether occupant at each number is the Owner or Tenant.
- Telephone number, where obtainable, at each address.

1318

PLEASE NOTE THESE IMPORTANT POINTS:

1. The profession, line of business, etc. of individuals and firms is shown in this section opposite their respective places of business. A fuller explanation will be found in the white page Alphabetical List of Names. The occupations of householders will also be found under their personal listings in the white pages.
2. The symbol (*) following the residence number indicates that to the best of our knowledge someone living in the house is the owner.
3. The symbol (✢) before a street name indicates that the street is in a suburban area. The name of the suburb appears in parentheses immediately following the street name; for example ✢ABERFOYLE CRES (Etob) which indicates that this street is in Etobicoke.
4. A dash (—) after a residence or building number indicates that the occupants were absent at the time of our enumerator's call and therefore information for this address was unobtainable.
5. "Vacant" buildings are so designated.
6. The following "postal pointers" should be noted:
   (a) The postal zone number immediately follows the street name; for example ABBOTT AV 9. Mail in such instances would be addressed to "Abbott Avenue, Toronto 9".
   (b) Where the street is in a suburban area the postal information will appear immediately after the suburban abbreviation; for example ✢ABERFOYLE CRES (Etob) 18 would indicate mail would be addressed to "Aberfoyle Cres., Toronto 18" while ✢ABRAMS PL (Nth Y) WLD indicates "Abrams Pl., Willowdale, Ontario" should be used in addressing mail.
   (c) Postal abbreviations (apart from postal zone numbers) used in these pages to indicate proper addressing are as follows:

DNV = Downsview, Ont. ISL = Islington, Ont. SCAR = Scarborough, Ont.
WST = Weston, Ont. WLD = Willowdale, Ont.

NOTE: **For information on streets beyond our enumeration boundary (and therefore not listed in these pages) please refer to our two Toronto Suburban Directories and our "Metro Square Map System", information on which is given on yellow pages "D" and "E" inside the front cover of this directory. Our handy "Arrow Pocket Guide" and "Arrow Pocket Map" on sale everywhere also provide much useful information on "Metro" streets.**
